

## Back to business with Exacq

Stronger, smarter and more secure

### Free exacqVision Professional or Enterprise camera licenses with every Illustra Flex, Illustra Pro, or Illustra EST Thermal camera

Best way to get back to business? Build a complete best-in-breed video security solution by combining the power of exacqVision Pro or Enterprise VMS with high-performance Illustra IP cameras. For a limited time, when you purchase any Illustra Flex, Illustra Pro, or Illustra Pro Thermal EST, your exacqVision Pro or Enterprise VMS camera licenses are FREE. Offer valid for new or previously purchased exacqVision NVRs.

Valid in North America only and may not be combined with other discounts. Each opportunity must be registered with your local Exacq area sales representative.

## Back with Exacq: complete, best-in-breed security solutions to get back to business.

### Illustra Pro IP cameras

The Illustra Pro camera line is our premiere IP camera offering with resolutions from 2MP to 12MP and form factors of compact mini-dome, mini-dome, bullet, micro, fisheye, and PTZ.

### Illustra Flex IP cameras

With a variety of affordable form factors, the Illustra Flex product line includes features such as 120dB Wide Dynamic Range to maintain image detail in varying light conditions, motion detection for intruder alerts, and 3D noise reduction.

### Illustra Pro Thermal EST cameras

A smart elevated skin temperature scanning solution, Illustra Pro Thermal EST camera is ideal for deployment at controlled entrances to areas and facilities where initial skin temperature measurement is needed for staff and visitors.
